

WEEK 1

ON & OFF

KATY LEHMAN

Natural Light

Where do you see it?

How does it make you feel?

Artificial Light

Where does it come from?

Why is it different than natural light?

Shadows

When do we see our shadow?
Where do shadows come from?

Tracing our shadows
& exploring the shadow screen

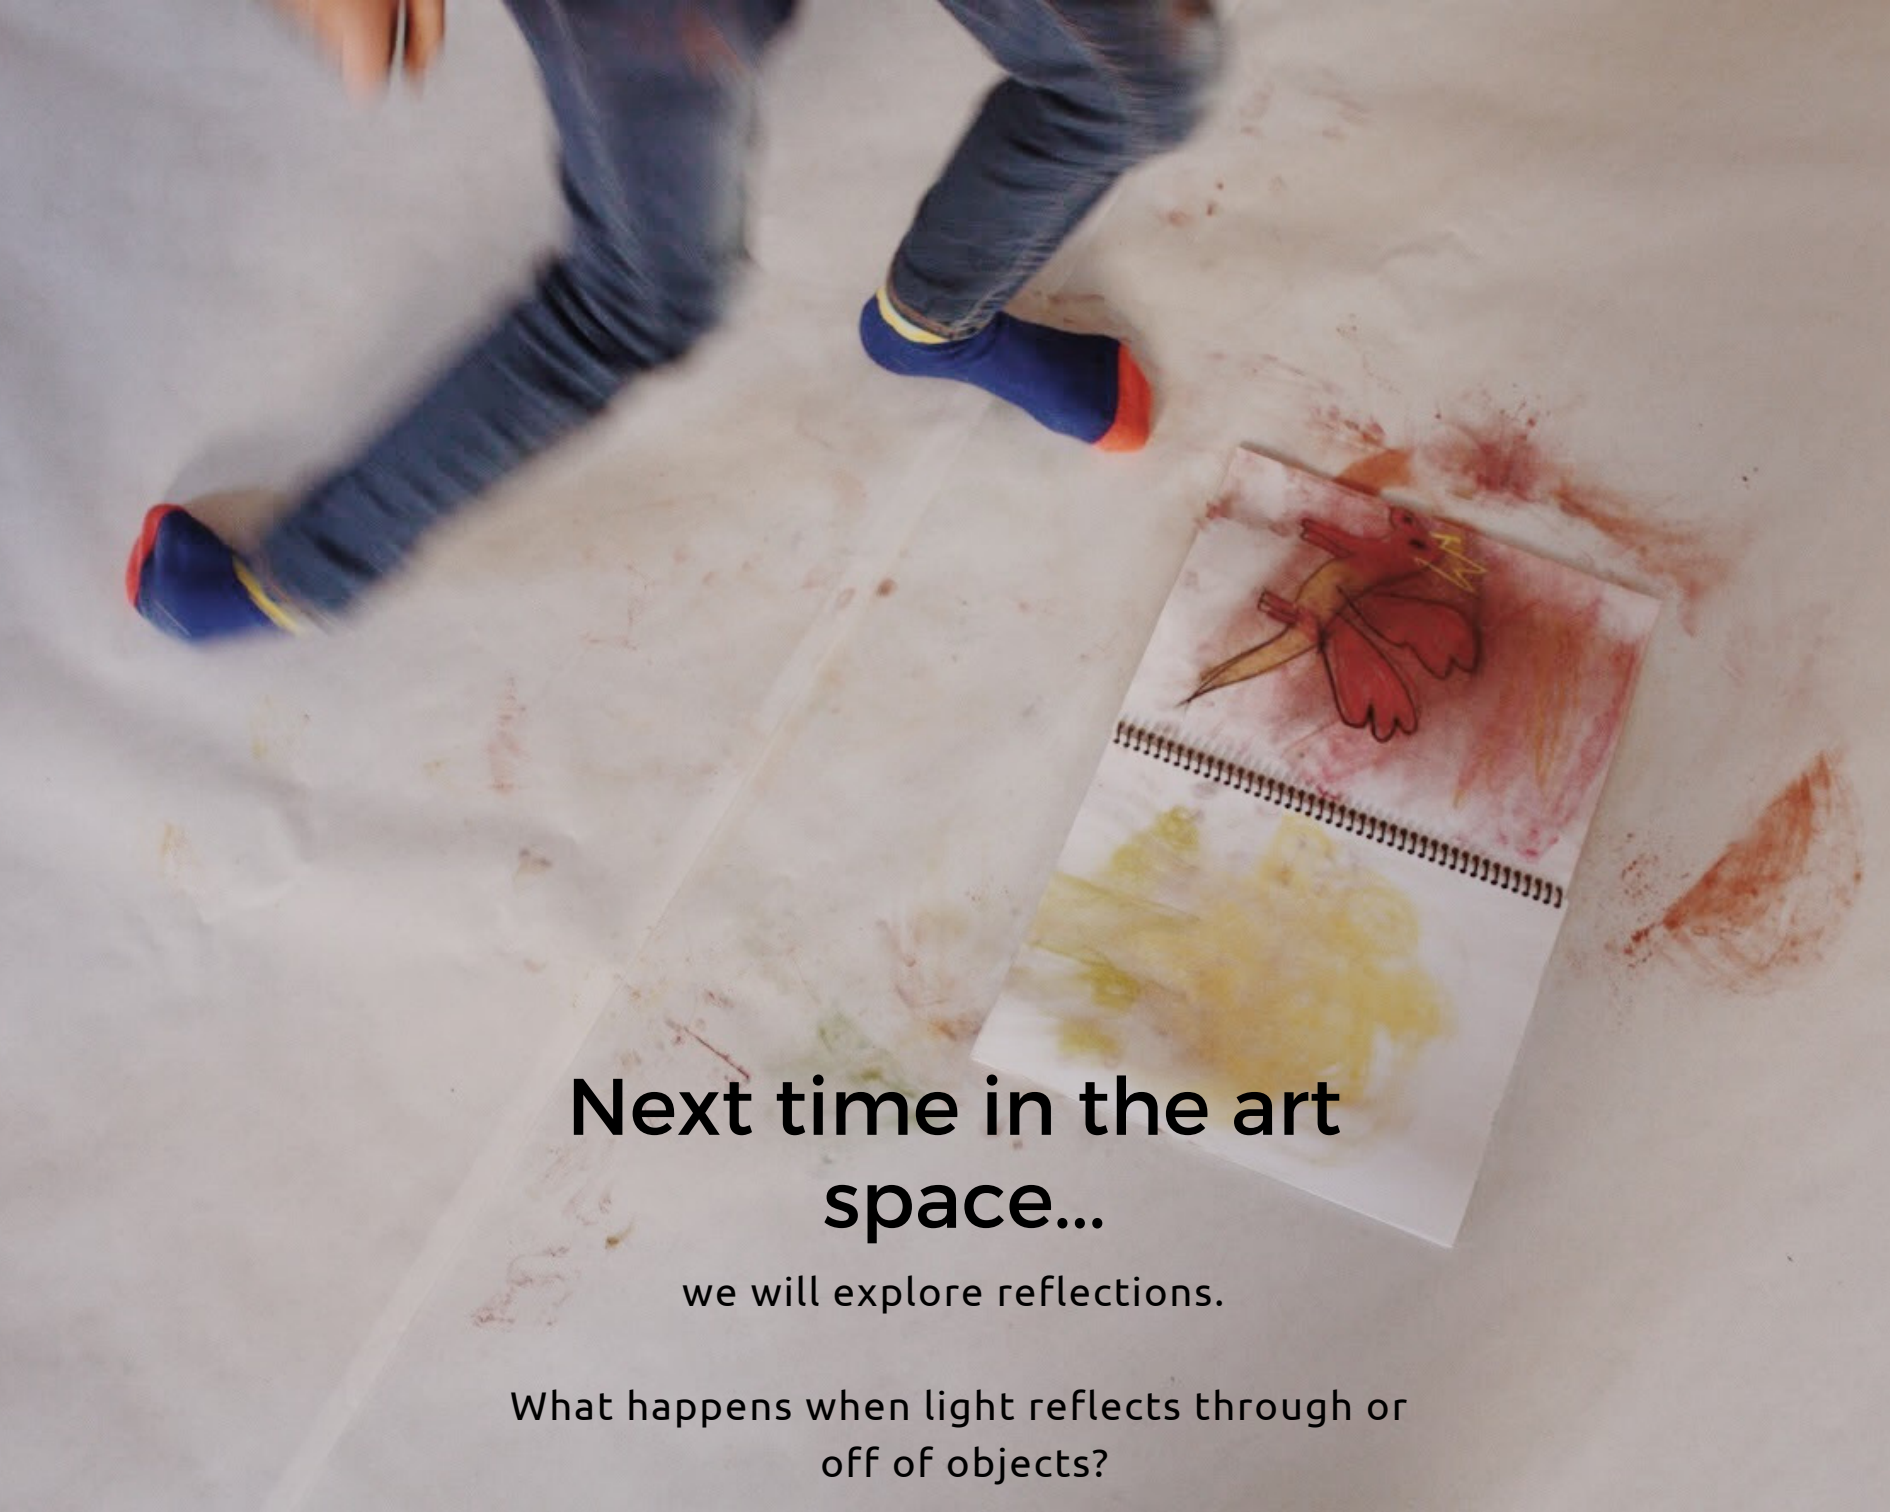

Darkness

How do you feel in the dark?

Guided drawings in the dark

Next time in the art space...

we will explore reflections.

What happens when light reflects through or
off of objects?
